"HMS-Russia" is the Company that deals with project management in the following areas:

- 1.** Restaurant business management; start-up, launch and management of new restaurants or F&B within the hotels, resort venues and business centers.
 - ❖ start-up and launch of restaurants within the 5-star hotels' F&B service for business-centres;
 - ❖ restructuring and development of the existing F&B services in terms of substantially widening the available range of choices for customers.
- 2.** Infrastructure services management. Additional all-year-around additional services for countryside projects of hotels and restaurants.
 - ❖ Launching of Action Parks – as successful services for the countryside hotel and restaurant projects;
 - ❖ Restaurant Projects for exclusive housing developments with room-service, guest rooms, concierge and housekeeping services.
- 3.** Architectural and interior design of various hospitality venues.
 - ❖ Division of guest and service areas into zones
 - ❖ Design and manufacturing of private office and hotel interiors out of natural materials
 - ❖ Architectural landscape elements made of metal, stone or wood
 - ❖ Private and pre-auction viewing of contemporary paintings and graphics, and three dimensional pieces.
- 4.** Project management of the procurement departments
 - ❖ implementation of purchasing rationalisation projects: integrated solutions for any number of diversified assets at varied geographical locations
 - ❖ 3PL logistics, time-sensitive purchases in Europe and South-East Asia;
 - ❖ procurement, installation, and servicing, as well as additional procurement of fittings for rooms and service areas, on a turnkey basis.
 - ❖ auditing services for owners and shareholders to examine effectiveness of procurement processes, compliance with industry-specific standards and regulations.
- 5.** Project Management:
 - ❖ launching own retail network for wholesale trading and food service companies;
 - ❖ launching restaurant and cafe chains for retail food operators
 - ❖ launching food retail businesses and public catering facilities in large elite housing developments.
